

BSI Motoring Changes

vGroup has the solutions for the changing BSi motoring first aid standards.

vGroup are developing a new range of motoring first aid kits in line with the changes to the BSi Motoring First Aid standard, effective from 1st February 2014.

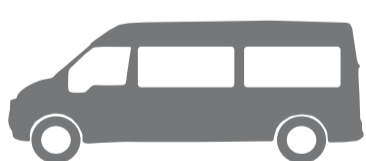

Standard BS 8599 specifies requirements for the first aid components in three sizes of first aid kits (small, medium and large) for use in motor vehicles.

The new products vGroup are developing will adhere to all these requirements.

Motor Vehicle First Aid Kit Guidance

The new guidelines state a minimum required amount of kits for specific vehicle as shown in the table below:

Vehicle Examples	No. of Passengers	First Aid Kit Requirements
 Motorcycles, Motor Tricycles and Quadricycles	1-3	 1x Small
 Cars, Taxis and Commercial Vehicles	1-8	 1x Medium
 Minibuses, Small Buses	1-16	 1x Large
 Buses, Coaches	17+	 2 x Large
