

Winter is not over...

...ensure you are well prepared for the rest of the winter season.

With the winter season firmly upon us, it is vital that you are well prepared for snow flurrys and sub-zero conditions well into the season. Recent winters have brought storms into February and March, ensure you are ready for the coming months.

Featured Product

RAC

Premium Winter Breakdown Kit

Our brand new RAC Premium Winter breakdown kit contains the essential items to help assist with vehicle breakdowns during the Winter season, all housed in a high quality EVA pouch.

Contents:

- Warning triangle • High visibility vest • Ice scraper • Foil blanket • LED flare
- Tow rope • Jump leads • Snow shovel • LED torch • Shoe grips

Contact us to pre-order now.

Do you remember...

2013 was a record year for Winter conditions, with nationwide heavy snowfall and sub-zero temperatures through to mid-April.
